

# COINS THROUGH THE AGES

## SO YOU'VE MADE YOUR OWN COINS ... NOW WHAT?

**Now that you have made your own coins, let's try to use them!**

Have a look around your home with a family member and pick out some objects you would like to 'buy' from them. Maybe it's your favourite afternoon snack or a book you like to read! Try to find at least **five** objects.

Ask them to set a price for each object, and then use your maths skills to figure out how many of your coins it would take to purchase each item! Are there different combinations of coins you could use to make your purchases?

**USE THIS SHEET TO KEEP TRACK OF HOW MUCH EACH OBJECT COSTS.**

**Object One:** .....

Price: .....

**Object Two:** .....

Price: .....

**Object Three:** .....

Price: .....

**Object Four:** .....

Price: .....

**Object Five:** .....

Price: .....

**USE THIS SHEET TO WRITE OUT YOUR COIN MATH TO  
PURCHASE YOUR HOUSEHOLD OBJECTS.**
