

Conversation Club

First Monday of every month, 10.30am - 12pm

A monthly group for people who want to enjoy the museum and its collections, explore our shared heritage through objects and find new connections with others.

This facilitated session is *particularly suitable* for people living with dementia, carers and any older person who might find it difficult to amble through the galleries and up the stairs.

Each month we will take objects from the museum collections as a starting point for conversation, sharing ideas and remembering things from our own histories. In some sessions you will hear from museum volunteers on their interest areas; in others, we will use a creative activity to get the conversation flowing in a different way.

Whether or not you have been a visitor of museums in the past, Conversation Club will offer you a welcoming and social chance to talk about things old and new.

Access: Our lecture hall, where Conversation Club takes place, is on the ground floor with level access. Toilet facilities are located in our Café which is a bit of a walk from the lecture hall so it can be useful to visit on arrival. Disabled parking at the front of the museum is available to reserve in advance from Reception. For further access information please visit our [accessibility page](#).

Cost & Booking: £4 per person (accompanying carer is free). No booking required.

COVID-19

Conversation Club is taking a temporary break in light of social distancing guidance and shielding measures.

To be contacted when we resume our sessions, please email our Community Curator, Sarah: sarahgregson@salisburymuseum.org.uk

In the meantime, our [reminiscence videos](#) hosted on the museum YouTube channel or our [Pick & Mix online exhibition](#) may be of interest.
