Corporate Opportunities

Partnership is the future...

The SALISBURY MUSEUM

As one of the south west's leading museums, we welcome over 35,000 visitors each year. Our visitors travel from all corners of Great Britain and the world, to see our internationally important collections of archaeology and enjoy award winning exhibitions.

US

Our audiences include everyone from families and school children, to young people and the young at heart. For this diverse audience, we host an exciting programme of events – public, private and corporate – in our beautiful, Grade I listed King's House in the Close overlooking Salisbury Cathedral.
